**INTRODUCTORY COMMENTS**

Sir:

Prior to examination upon the merits, the following preliminary amendment is submitted in connection with the above identified patent application. It is respectfully requested that the present amendment to the claims be entered and considered by the Examiner.

Rosenbaum et al

## CONCLUSION

The present response is intended to correspond with the Revised Amendment Format. Applicants understand that with the Revised Amendment Format, the provisions of 37 CFR §1.121 are waived. Should any part of the present response not be in full compliance with the requirements of the Revised Amendment Format, the Examiner is asked to contact the undersigned for immediate correction.

No new matter has been added by way of the aforementioned amendments.

The Examiner has cited several references in the rejection's Conclusion as pertinent prior art. Applicants have reviewed these references and at least for the reasons set out above believe the present application, as currently claimed, is allowable over the references.

In the event that the transmittal form is separated from this document and the Patent Office determines that an extension of time and/or other relief is required, Applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees in connection with the filing of this document to Deposit Account No.: 502464 referencing client reference: 2001P05313WOUS. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.
